

First Aid Training Courses

Level 3 Award in Paediatric First Aid (QCF) Course

Course Overview: The level 3 award in Paediatric First Aid (QCF) Course is designed to enable learners to attain the knowledge and competencies needed to deal with emergency first aid situations which can arise when looking after children and babies. At the end of the course participants will be able to demonstrate the practical administration of safe, prompt and effective first aid in emergency situations. This qualification fulfils Ofsted's first aid requirements for early years teachers, nursery workers and child minders (as defined within the Statutory Framework for the Early Years Foundation Stage 2014 and within The Child Care Register guide).

Who is this course for? This course is designed for people who have a specific responsibility at work, or in voluntary and community activities, to provide First Aid to young children and babies when dealing with an emergency situation such as nursery staff and childminders. There are no formal entry requirements but in order to benefit from the course participants should possess reasonable communication skills.

Course Content:

Unit 1 – Paediatric Emergency First Aid

The role and responsibilities of a paediatric first aider
Incident and casualty assessment
Cardio Pulmonary Resuscitation (CPR) for children and babies
Management of a seizure
Treatment of an unconscious casualty
