Level 3 Award In Emergency Paediatric First Aid

Course Overview

Having a good understanding of emergency paediatric first aid is incredibly important for the safety of children and it could mean the difference between life and death. Successful participants will learn the roles and responsibilities of the emergency paediatric first aider, and will be equipped with the skills needed to deal with a range of paediatric first aid situations, such as managing an unresponsive infant or child, CPR, choking, anaphylaxis, seizures, wounds and bleeding and many other common injuries that a child may suffer.

Who is this course for?

This course is ideal for parents or family members who want to learn key paediatric first aid skills, those who work with children and are not required to comply with Ofsted's Childcare Register or EYFS requirements and those who want to provide additional support in their organisation to the paediatric first aiders that are trained to meet EYFS or Ofsted Childcare Register requirements.
